Discovery BOUND

One volunteer said, **“I continue to volunteer for DiscoveryBound because I think it’s so important for Christian Science youth to spend time with each other... important for them, for our local churches, and honestly for the future of the Christian Science movement.”** Teens, families and adults are deepening their relationship with God by living Love at DiscoveryBound events and having fun doing it!

WHAT DOES A DB AMBASSADOR DO?

Our staff will email you information quarterly on upcoming activities to share. Here are some of the ways to get the word out and welcome all ages into the DiscoveryBound community:

LEVEL ONE

- Inspire youth, teens, adults, and families to participate in DB programs
- Direct people to our website to find out more about DB programs
- Encourage individuals to sign up for our emails
- Follow DB on social media and invite others to as well:   
- Hand out and email flyers, including sharing them with local churches to post on bulletin boards before events

LEVEL TWO *(Includes items listed above)*

- Host a fun and inspiring annual activity – with the support of our DB staff, including funding for the activity – to share info on DB and CS summer camps
- Maintain a local list of individuals interested in DB and share this information with DB Headquarters

Together we can achieve our purpose:

DiscoveryBound is a year-round program for youth, adults, families and friends that offers inspiring recreational, leadership and service opportunities on local, regional, national and international levels. We provide an atmosphere where individuals experience Christian Science in action.
