

## DiscoveryBound 20s/30s Weekend Travel Aid Request Form

Financial support is determined on individual need, and **grants are awarded up to \$150, not to exceed 50%** of your total travel costs. DiscoveryBound will notify you of the amount awarded within two weeks of the submitted request and will mail a check for the amount granted immediately **after your attendance at the event** listed below (if this delay in aid is a financial hardship contact Susan Barner).

If you need additional support, consider these options:

- DiscoveryBound Chapter Financial Assistance - Many Chapters across the country offer aid to chapter participants in their area. Contact your Regional Manager for local Chapter contact numbers.
- Branch churches – Many branch churches offer funds to support attendance at DiscoveryBound programs; check with your church’s board to see if such a fund exists in your branch.
