2019 all class retreat

True prayer is not asking God for love; it is learning to love, and to include all mankind in one affection. Prayer is the utilization of the love wherewith He loves us.

LOVE'S WARM EMBRACE

Everyone understands the courage and strength it takes to help a stranger in need, to help someone up, to hold a friend accountable, but what does it take to intentionally keep your thought free from the material suggestions about mankind? Do you have the spiritual confidence and determination it takes to be your brother's keeper, to wrap them in Love's warm embrace? As we move through our day, we come across many who need the Love of the Christ reflected in the eyes of those who are seeing them. We are going to hear how Ian Forber-Pratt works through seeing his fellow man as God's Man.
