

NATIONAL EVENT

TEEN
& ADULT
TRACKS

“God’s being is infinity, freedom, harmony and boundless bliss.”
– *Science & Health 481: 3-4*

Celebrate freedom and boundless bliss with friends across the country at this year’s multi-part National Event with separate teen and adult tracks. Kick things off by joining us for a free virtual talk by Brad Stock for everyone. Two weeks later, gather in person for one of three single-day events in New England, Missouri and Southern California. They’ll be fun and inspiring ways to connect with others from your region. We hope you’ll join us for one or both parts.
