Activity Ideas!

1. Ballpark Activity
 - a. Pick a ballpark in your area: could be a Major League team, AAA minor league team, your neighborhood T-ball game, or a baseball diamond in your local park.
 - b. Tour an MLB park, attend a AAA or neighborhood game, or play your own baseball/softball game with the friends you brought with you!
2. Lunch/Dinner
 - a. Pick a fun spot for lunch nearby, bring a picnic lunch, have a local restaurant cater, buy ballpark food, or have a bbq/potluck with hot dogs and burgers!
3. Inspirational activity
 - a. Take some time to reflect, discuss, and get inspired! Here are a few ideas for an inspirational activity to do with your group:
 - i. Invite a guest speaker or practitioner to join your group and share some inspiring ideas.
 - ii. Have everyone come to the day armed with their own testimony. Let them know of the assignment before the day, so they have some time to decide

- which one they want to tell. Share with each other the prayer, ideas, and/or passages that led to healing.
- iii. Assign everyone to choose their favorite Bible passage or Science & Health quote to share with the group and discuss.
 - iv. Read the week's lesson together and discuss it.
4. Second Activity (optional)
- a. Find a fun activity to wrap up the day, or be a tourist in your own town! Here are a few ideas:
 - i. Go out for (or bring) ice cream.
 - ii. Go for a walk/hike/bike ride.
 - iii. Visit a local landmark and take lots of pictures.
 - iv. Do some volunteer work for your neighbor, community, or church.
5. Send fruitage and photos! (day of or day after)
- a. Fruitage Link: [Click Here](#)
