Discovery **BOUND** OUTREACH

DiscoveryBound (DB) Outreach is a program for the community that serves Christian Scientists and their friends of all faiths. Everyone is welcome! Our activities provide an inspiring, Christian Science environment where everyone is free to express themselves without drugs, alcohol, smoking or profanity. DiscoveryBound Outreach focuses on the following:

CHAPTERS:

With close to 40 Chapters across the United States, Chapter events are organized by local volunteers and supported by DiscoveryBound staff. Chapters answer the needs of the community where they serve by offering a variety of events that serve teens, adults, parents, children or all these groups combined.

ANNUAL NATIONAL WEEKEND:

DB Outreach brings teens and adults together from all over the country every year. Our Annual National event takes place in a different major U.S. city each Labor Day Weekend. Based on a core metaphysical theme, the teen track includes activities and discussion topics relating to their lives, and the adult track allows Chapter Workers and adults interested in DiscoveryBound to enjoy activities, discussions and fellowship of their own.

REGIONAL WEEKENDS:

DB Outreach Weekend events provide teens, families, children and adults with fellowship opportunities over a 1–3 day period in groups that are just the right size to connect with everyone. These Weekends include a main activity, inspirational discussion and Sunday School/church, with time to hang out and make new friends.

Regional Weekend activities have included:

- Skiing, snow tubing & ice skating
- Camping & kayaking
- Christian Science camp “Weekends”
- Aquarium/Museum sleepovers
